

KASTLE SYSTEMS FEATURED YET AGAIN AS THE EXPERTS IN REMOTE VIDEO MONITORING!

STOP THEFT. SAVE MONEY.

KASTLE'S BREAKTHROUGH REMOTE VIDEO GUARDING SOLUTIONS BENEFIT YOU

Where guards sometimes fail, our video surveillance service succeeds. Kastle is the leading provider of remote video guarding across the nation. We provide you video expertise to transform how you protect your business. Our cameras proactively detect intruders and our remote monitoring service immediately responds to those security events.

WITH KASTLE, YOU WILL:

- + Detect intruders and stop loss
- + Apply audio to deter criminals
- + Monitor for dangerous temperatures in shredder materials
- + Save thousands in operating costs (compared to night watchmen)

Call or e-mail us today to see why Kastle is the leading security provider for the recycling industry!
